Thanks very much.

One question: on page 20 of its 2009 report, the GAO cites the number of firearms seized in Mexico and traced to the US from FY 2004-2008 based on ATF data. Your letter uses Calendar Years 2009 and 2010.

Do you have either information from CY 2004-2008 readily available and/or information from FY 2009 and 2010? This way, I can have it all in one format.

If there's any way to get this tomorrow first thing, it would be very much appreciated.

Thanks so much, everyone.
