Hi Robbie,

Jay from channel 3 here. Thanks for taking a few moments to talk with me, I know you guys are busy. To follow up we would like to do a story about the Fast and Furious program. Obviously it is getting some media attention with the article in the Wall Street Journal. I would like to talk with Mr. Burke, about the gun problem, but more specifically how we can best deal with it. It seems some people want to just ignore it, and use some of the problems with this operation to justify that. I would like to hit on more what we can do, what are the best ways to do it, and where does the effort go now. My schedule is pretty open next week.

Thanks

Jay
