L -- Thanks for this and for you reply to me last night. As you tell, part of my concern is the morale of Faith and others who work on this stuff. Your message helps assure them they are not spinning their wheels.

Faith - thanks very much for all the work on this long draft. I know we ended up going a different direction with yesterday's letter but the work on this longer letter will not have been in vain as I think much of it can be used for a letter that ideally can get finalized Monday. Toward that end, we'd like to get a draft we could share w/ the DAG tomorrow afternoon so we can be in a position to turn it around Monday (we'll need to also share with Ed) if at all possible. In order to do that Stuart and I think that the current draft can be used in large part with the following revisions:

DP

Thanks and let me know if you have any questions.

Ron -- what do you think about
