Pauline is a longtime friend and very good reporter, writes nationally but lives and works in Phoenix. She's recently taken an interest in the Fast and Furious case, as well as Terry. I told her that because this is all wrapped up in Congress, as well as going to trial, that you probably couldn't go on the record with her. But I think she'd treat us fairly if you did a backgrounder with her. [REDACTED] **DP**

But she is a decent, smart person who is a very good big-picture writer.

Hey there. Figured I should ask sooner than later. What are the chances of a sit-down, perhaps early next week, with Dennis re "Fast and Furious"? I've actually never met him and would love to try to chat face-to-face.

Thanks in advance,
Pauline

The ATF did a map of recoveries that's posted on our web site. I think other outlets just counted the guns referenced in the indictment.

Me again. J

Hey, when you guys had the newser on the gun indictment ([REDACTED] **ATF** and crew) did you guys present a spreadsheet of gun buys? Wondering if you have something like that that was provided to media and perhaps could be provided to little ol' me?

Still under investigation. Nothing scheduled at this point.
On background, still working to get a bead on his friends.

Hey, Robbie. Hate to bug you again about this but the case is still absent from Pacer. Are there any upcoming hearing dates or a new trial date yet in the Manuel Osorio-Arellanes case? I'd be particularly interested if any hearings are scheduled next week or in the coming weeks.

Thanks for checking.

Best,
Pauline

That's bizarre. And will make your life harder, as I'll have to keep bugging you just to check dates on the docket. Hmm. Also, can you forward me the indictment since I can't get it off Pacer?

Thanks for checking.

I'm told the judge signed an order to unseal the indictment, but not to unseal it to Pacer. I don't know why that's the case, except perhaps the other guys are still under seal.
Am told also that Osorio requested a delay, so June 17 isn't happening. Don't know yet if judge has set a new trial date.
