And could someone also circulate the final of yesterday's statement for the record?

Faith – can you or someone from OLA circulate the final, formatted copy that went up to committee?

Please find attached a clean version of the most recently circulated draft. Barring objection, OLA will begin formatting this as our final for submission.

With a couple additional edits from Faith (at the top of page 5 and on page 8), I think we are close to final here:

Attached please find a revised draft reflecting additional comments from the USAO-AZ, ODAG, OLA, and OPA, as well as proofreading nits (reflected in redline against the 10:30 am draft), which we plan to finalize and submit to the Committee shortly. There are a couple open items remaining:

Subject: Draft Testimony

Attached please find a revised draft of the written testimony, reflecting comments we've received from Matt, ATF, and WHCO. In the interest of completeness, we have included all the proposed edits, although there is one we would recommend against, and others on which we would defer to others, as reflected in the comments.

Thanks,

John

Attached please find a revised draft of Ron's testimony incorporating edits and (hopefully) responding to comments from Dennis Burke and Faith and others in OLC. The plan is to get a close-to-final draft to the WHCO sometime today and to submit the final testimony to the Committee sometime tomorrow, so please let us know if you have any additional comments as soon as possible.

Thanks,
John
