Hi Dennis,

I left a voice message on your machine and Norma's a short time ago. We need to postpone the AG's SWB visit. He still wants to schedule this trip and we will be looking at new dates in the not too distant future. Thanks for all of your work on this to date – we'll certainly have a good schedule in place when we re-schedule. Please feel free to call me to discuss. I'm at my desk most of the day after having been out at the end of last week.

Thanks again,

Molly
