Please review these asap and let's figure out where else they should be vetted; we'll need to get back to the minority tonight. Thanks. FB

We just completed a meeting with our Republican counterparts. Attached are excerpts from our transcripts that we may use publicly at tomorrow's hearing. Please let us know as soon as possible if you have concerns about the release of any of the information contained within these excerpts. It is my understanding that the Republicans may have additional information for you to review before it is used at the hearing or provided to the press.

Thanks,  
Susanne
