Dear USAAZ,

The HOCR minority just sent us the attached excerpts from the transcribed interviews the Committee has been conducting, and that they may use tomorrow at the hearing. We would greatly appreciate it if you could review them ASAP to let us know if any of this would hurt the prosecution (we're not including Mike or Pat in the fun because we expect they're crossing each other in transit to and from DC).

As always, many thanks.

Molly

We just completed a meeting with our Republican counterparts. Attached are excerpts from our transcripts that we may use publicly at tomorrow's hearing. Please let us know as soon as possible if you have concerns about the release of any of the information contained within these excerpts. It is my understanding that the Republicans may have additional information for you to review before it is used at the hearing or provided to the press.

Thanks,
Susanne
