Thanks for spending the time to talk through this issue on Friday. We need to have two follow-up meetings: [DP]
[DP] Laurie – can you set them up for sometime early this week? Chris and Tony only need to be available for the first meeting ([DP]).

Subject: Meeting on AG QFRS

As you all know, we have received several Congressional QFRs on the subject of Fast and Furious and ATF's strategy on gun trafficking cases in Arizona. We want to be sure that we're answering as accurately as possible on behalf of the Division. It would be helpful to sit down as a group so that we are sure that we're not misunderstanding or missing any relevant piece. Are you available to meet Thursday or Friday? If there is anyone else who should be present, could you please let me know? Also – please be sure to refresh your memory on the issue so that we can have a productive meeting.

Thanks.
