Subject: Oversight mtg tomorrow

I think we should plan on our usual meeting tomorrow at 9:45 to check in and see what needs to be done in the wake of the hearing. We'll also introduce Steve Reich, the new ADAG handling oversight matters. Paul, if you were planning on being at ATF, I think you should still do that. We can have you call in if you want to participate. (I may need to call in from ATF as well).
