Subject: FW: Here are the docs we have offered to give Grassley
Attachments: Redacted USAO memo re LWTC meeting.pdf; ROI re LWTC meeting.pdf

Assuming that we're able to reach a resolution with Senator Grassley, are you guys okay with the redactions here? The present plan is for the USAO memo to be produced and the ROI to be made available.

They do not yet have Bates numbers. The ROI is something we have said we would make available. The redacted USAO memo is something we have said we would produce (especially since a version with slightly different redactions is already on the nytimes website).
