Members pressed Ron to ensure we will prosecute all the persons who provided the weapons found at the Terry murder scene or used to kill Terry with appropriate charges of murder.

He was also pressed to agree the Feb 4 letter was "false" saying we did not sanction or allow guns to be transported to Mexico, and that we do everything in our power to interdict guns purchased illegally and prevent their transport to Mexico. He was also asked point blank if it was true.

I will check the web page on transcripts. Pjc
