Thanks -- that's a little different than 2,500

Tracy,

One of the docs we produced today has the count of F and F guns recovered (at least as of sometime after Jan 25, 2011 -- the numbers have risen a little since then as add'l guns have been recovered). The chart shows 196 guns recovered in MX and 372 recovered in the U.S. The Bates # is HOGF ATF 001507.
