That's great. Thanks for volunteering! Here are some samples. They're not all final versions, but most of them are pretty close. They should give you a sense of how the letters generally look. If you need to see the finals, let me know and I can try to dig them up. I probably only have them in PDF.

Matt - can you send me any letters we've sent to the Hill in the past few months re Operation F & F? I volunteered to draft the letter describing our current efforts, and so it would be useful to look over some samples.

Thanks,
Mónica
