Also enclosed for your reading only is the email La Opinion sent Robbie proving it was in March, and that Robbie explained we could not comment on Fast and Furious:

Subject: Interview Request

Hi Robert,

As we discussed over the phone today, I am working on a national multi-media project dealing with the trafficking of arms and I would like to obtain an interview with a specialist in your agency that can provide general comments on this issue. Some of the questions will be...the use of women as straw purchasers, the related offense for straw purchasers, and a general profile of the Arizona market for this illicit activity.

During the interview, we will not ask about specific cases or about "Fast and Furious", as you mentioned, you cannot comment on. The project is mainly an informative one about the illicit arms trade.
