Hi Mr. Sherwood,

I'm wondering if you can help me. My name is Jacqueline Rose, I work with Lou at his nightly business program on the fox business network. Lou has been intensely covering the operation gun runner story and the sad death of border agent Brian Terry. He is very passionate about this story as Mr. Terry's death was preventable and something that never should have happened. We would like to reach out to the family of Mr. Terry and see if they would be interested in coming on our show to speak about this matter. Can you recommend the best way to get in contact with them, whether through their lawyer or another means? Thank you very much for your time, any direction would be much appreciated.

Best,

Jacqueline Rose
