Hold off til I review all of this in the morning. Please don't let them consume your time.

Ann/Rachel -- Pat is going to need more help w Crim Division responsibilities if this is the commitment they are imposing on him and w the F&F pleas needing to get done, now.

We need to get the Wallow Fire prosecution resolved, pronto; I have yet to see any Bulldozer declination drafts or potential indictment and I need Greshner pushed. We need Evans to send Liza to Mexico w Brian by nxt week.

Those are my priorities, not reviewing Kwai documents daily.

The CrimDiv in Phx needs some help.

Thx.
