Jim, here are 2 cases that I would quickly come up with, because they are somewhat relevant to my potential trial in Aug. DP

DP

I will try to come up with some more for Amy after GJ today. As you can see, I came in early because I have one more witness to prep for: we have about 3H GJ today, then I have a meeting with Jaffe at 2PM. So, it might not be until after that.

Do you have anything, even notes, already in existence on [redacted] DP I remember having some discussions early on about corroboration of a confession/proof of corpus delecti, if I recall correctly.
