Thanks. It doesn't seem like it will be a chore, given how few documents we are dealing with.

Mike, I'm sorry, you didn't miss an email. If I send you something (it is going to be fewer than 30 pages) in the next couple of hours, would you have time to review by tomorrow afternoon (I understand if 10am doesn't work tomorrow)? We are just making the final divisions into produce v. review here so you are looking at the closest-to-final product.
