Emory can read the ROI's and provide the perfectly accurate details. PJC

Subject: Guns and Ammo Fact Sheet

Dennis would like us to include information about the **ATF** (sp?) case as an anecdote in the fact sheet. It involves the purchase of 20 AK-47s. Do one of you have the facts of this case? If not, do you know who does? I just need a short summary—3 to 4 sentences. Would like to finalize this document this morning so Dennis can review when he arrives this afternoon. Thanks.
