 Fire Attorney General Eric Holder

 Quote

That one statement from our nation's top law-enforcement official proves that Attorney General Holder is either covering up for Obama, his failed gun control schemes and the crimes committed, or he's incompetent. Either way, he can't be trusted with the powers of Attorney General, the law enforcement agencies he commands, the sanctity of the Second Amendment, or the lives of Federal agents. That's why NRA is launching a nationwide campaign to gather hundreds of thousands of signatures on this Petition to Fire Eric Holder, one of the chief architects of Obama's gun ban agenda. And I'm turning to you to help lead this fight by signing NRA's petition today.
