Subject: Quotes to be released

Faith-

In the attached document are some quotes from transcribed interviews that we plan to release today. We do not anticipate that any of these quotes reveal information that would have a negative impact on ongoing criminal investigations or prosecutions. However, in order to be prudent, we wanted to provide them to you to receive your input before we release them. We will consider that input when we make the final decision about the public release. Please provide me with any input by 5 pm today.

I am not at my desk currently, so if you need to reach me, please call my cell at Privacy

Thanks,
Susanne
