Faith,

I believe this was the latest communication between ODAG and OLA on the Smith letter. Have you been able to gather the additional info necessary from CRM and ATF? Once you have done so, please send the revised version to Steve to review. Thanks.

Matt

Faith,

As we transition this from me to Steve, I think that all of the written responses should be routed through him not me. I looked quickly at these though and it appears that you need to gather some additional info from CRM and ATF in one or two places. I suggest you reach out to them directly. Thanks.

Matt

Per our conversation this am, here is the ATF draft with my redlines (there were some in the first few paras before changes were tracked, but nothing significant). As I mentioned, we'll need you to take the pen at this point to complete this because we in OLA don't have additional info. Thanks. FB << File: Smith atf 630 draft.docx >>
