No problem Mike...I figured it out...Lisa Settel had the investigation...I'll contact her and get the file/info I need. Since D.C. people in town tomorrow, we can catch up on Friday if that's better for you....good luck and thanks for checking in.

We can find the file. Hope we can talk tomorrow. DC people will be in Phoenix tomorrow to discuss Fast and Furious. Today was prep for that; sorry I didn't get back to you.
