I've asked Faith to include you. Let's discuss the others you ask about -- there are some specific reasons not to include certain people.

I stuck with the last item. Ron: Tracy wasn't invited to the meeting Faith is organizing on that, and wondered why. DP
How did Faith decide who to include? The list is a little odd -- includes Karen Wilson but not me (and I'd like to be in on this one); doesn't have Steve Reich or anyone from ODAG; doesn't have OPA.
