**Subject:** Heads up re HOGGR letter to FBI, seeking info about the Terry investigation

HOGGR staff (Carlton Davis) called the FBI's Phoenix office late yesterday, asking for the name of the FBI case agent on the Terry investigation. The call came in late to the switchboard, which took a message and referred it to FBI congressional today. Beth Beers returned the call this afternoon, spoke with Henry and Carlton, who said that they'll be sending a letter early next week to the Director. Sounds like they want lots of info; she'll send it over if we don't get it at the same time. More later. FB
