Subject: We are scheduled with Grassley staff (Kolan and Jason) Monday at 3, trying to make Castor at 4.

The reason I think it needs to be separate is that otherwise, why wouldn't we include the Dems? That's the 4-corner summit meeting we should have at some point, but not on Monday.

I look forward to hearing about AZ! I imagine its hot out there, in all ways...

Yup, assuming no interview that day. Already in process with Grassley staff and will piggyback Issa staff. You agree with me these should be separate, not together at this point, right?

Can you try to set up the meet and greet w Castor and Foster for Monday? After 3p is best but I may be able to do it starting at noon if necessary. Thx.
