Would love to connect. I'm at my desk now and will be here until at least 4:00 or so - direct dial is 202-305-0273. Or we can talk on Monday.

I'd like to find a time next week that we could talk for a few minutes about F&F. There is a little bit of report language in the CJS report (I cadged a bootleg copy late today) about it, though not really along the lines of Issa or Grassley or members currently deep into this.

I can share with you when we get a chance to talk, and hopefully I can catch up on where things are more recently.

Have an excellent weekend, and apologies for hounding you.

Bill
