ATF Tampa Division Walked Guns to Honduras and to MS13 Gang Members

By Jim Hoft, Gateway Pundit

Leaders of the transnational organized criminal gang Mara Salvatrucha (MS-13) even ordered a hit on a U.S. Immigration and Customs Enforcement (ICE) agent in New York.

There are now reports that the Bureau of Alcohol, Tobacco, Firearms and Explosives Tampa Field Division, ran a gun-running investigation that was walking guns to Honduras using the techniques and tactics identical to Fast and Furious. 1,000 of those guns were sold to MS13 buyers.
