Both our gun policy team and our ATF oversight team should be aware of this request from Sen. Grassley to ATF re: trace data. ATF says this involves a technical explanation and should not touch on the oversight matter; others can better assess if that is correct.

Subject: Meeting with Nick Podsaidly (Grassley) on Friday

Nick wants to meet with us on Friday to discuss the letters. We propose bringing Charlie Houser and Frank Surotchak from the Tracing Center to brief them. Assume you or someone from OLA will want to tag along. I have not set the meeting yet, but they want to do it Friday. Let me know and thanks.
