Any word on whether Matt Olsen may make it through tonight? I'm listening to wrap up, but hard to track.

Looks good. Let's pencil it in and hope nothing pops tomorrow.

Ron -

We had talked yesterday about getting together with you and Steve so I can highlight what I think the issues are for the FBI, we can show you our working timeline, and we can discuss our latest thoughts on a response to the Committee (our latest draft letter is attached, but it's still a work in progress). I'm pretty open tomorrow and Thursday, so let me know if there's a time that works for you, Steve, and others you'd like to include in the conversation.

Thanks.
