In announcing the following selections, I ask you to please join me in welcoming the following ATF leaders to their new assignments;

William G. McMahon, Deputy Assistant Director for the Office of Field Operations (West) to the Deputy Assistant Director for the Office of Professional Responsibility and Security Operations.

Michael B. Boxler, Deputy Assistant Director for the Office of Field Operations (Central) to the new position of Deputy Assistant Director for the Office of Field Operations (Programs).

Mark W. Potter, Special Agent in Charge of the Philadelphia Field Division to the Deputy Assistant Director for the Office of Field Operations (West).

Gregory K. Gant, Special Agent in Charge of the Atlanta Field Division to the Deputy Assistant Director for the Office of Public and Government Affairs.

Thomas E. Brandon, Special Agent in Charge of the Detroit Field Division to the Special Agent in Charge of the Phoenix Field Division.

Together these individuals have over 136 years of service as Special Agents with ATF and almost 90 years of supervisory experience combined. As we move our Bureau forward in the age of modern technology and the new environment of lean economics these leaders have been selected for the skills and abilities they have demonstrated throughout their careers. I have had the very good fortune of working with each of these men in my two years at ATF. I welcome them to their new assignments effective August 14, 2011 and look forward to continuing to receive their good counsel.
