Hey ATF thanks for speaking with me just now. We'd like to keep this briefing restricted to ATF and would only touch on Operation Fast and Furious as part of the larger subjects mentioned below.

Thanks again,

Nathan

Subject: Briefing

Hi ATF

I'd like to set up a briefing with you all for Monday, September 5th if possible. The briefing would focus on anti-firearms trafficking programs in Latin America and cooperation with other agencies, prosecution of straw purchasing cases, and Operation Castaway. Attending the briefing from our end would be Western Hem subcommittee and full committee staff, majority and minority, as well as any other interested LAs.

Please let me know if this is at all possible or if we can work for some other time that week.

Best,

Nathan
