Here are proposed on the record responses on **ATF** Let me know if folks have edits –

**What's the Department's response to reports that an Arizona man was allowed to transport grenade parts to Mexican cartels with the knowledge of law enforcement – including ATF and US Attorney's office in Arizona?**

**DP**

**Is it true that the **ATF** operation contributed to the Department's decision to change the leadership at ATF and seek the resignation of USA Burke?**
