ATF

Thanks for your time on the phone today. As promised, this e-mail confirms our conversation.

You agreed, at my request, to send us a CD containing the two recordings that ATF made of conversations with ATF. I also told you that we would be alerting the U.S. Attorney's Office of the existence of the recordings, and sharing a copy with them, because they would need to review them to satisfy potential discovery obligations.

If you send the CD via the mail, please use the 20530 zipcode listed below. If you send it via FedEx, use the same address, but with a 20005 zipcode.

Thank you for your assistance. Please call or e-mail if you have any questions.
