This looks good to me. I'm going to be out of the office tomorrow, but will plan to call in, if there is a number or be available if it is easier for you all to call me.

Thank you,
Margaret

If we want, tomorrow we can get out this **ATF** response to Grassley as well as the wrap-up letters to Issa and Smith. Let's discuss in AM.

Ron:

This responds to Sen. Grassley's letters of March 4 and March 28.

The draft has been cleared by **ATF** of ATF, and by Gary Tromblay (USAO-ND Texas), who is prosecuting the traffickers. The **ATF** murder case is being prosecuted by the Criminal Division's Org Crime and Gang Section and by USAO-DC, and they all have cleared the draft (per Gregg Maisel, National Security Section Chief of USAO-DC).
