Your letter's playing well. Time to think about next steps. They are going to hit back very, very hard to this - probably organized statements/letters calling on your resignation. We need to be ready.

I talked to Margaret and Tracy and have been deputized to organize surrogates. It's a good role for someone outside DOJ. I'll get with Raben and we'll put together a pool, arm them with info, and get them out there.

Good to be on offense!

Get Neal MacBride, Laurie Robinson, or whoever has the best relationship to call Naleo, etc. immediately to ask them to round up people for a press statement saying how

outrageous this is. I'll send a note to Gary.

Ideas? If yes- share with Gary. Going to a meeting at WH for 2 hours. Need surrogates - law enforcement types.

Hey, have you heard about this press conference? Apparently Fox reported last night that the sheriffs will call for Holder's resignation, and will also call for "accessory to murder charges for any future victims of Fast and Furious guns."

Obviously, if you have any response at any point please send my way...
