Frequently Asked Questions

Q. How does the EFT/ Direct Debit program work?

- A. This program works in conjunction with your bank, similar to automatic teller machines, direct deposit of payroll, Social Security checks, and other electronic banking devices that you are already familiar with. It simply accomplishes normal transactions electronically, inexpensively and quickly... without wasting paper, postage or time.

Q. When do the monthly transactions take place?

- A. On or about the 1st of every month.

Q. If I participate in the EFT/Direct Debit program can more money be taken out of my account than I have authorized?

- A. Absolutely not! Electronic funds transfer, just like any banking or credit transaction, is strictly regulated. Only *you* can designate the amount and frequency of the transactions.

Q. How can I be sure my gift is going to you?

- A. Your monthly gift is clearly itemized on your bank or credit card statement each month.

Q. Will I receive a record of my contributions for tax purposes?

- A. Of course. Amicus Society members will be mailed a copy of their Annual Giving Report for the previous calendar year in early January.

Q. I don't know my bank routing/account number. How can I find them?

- A.
