**VIII. ADDITIONAL INFORMATION OR EXPLANATIONS.** *(Indicate part of Report.)*

Generally in Part VII: The term "agg" denotes an aggregate amount. This is made necessary by the county records containing listings for separate fractional ownership interests in the same royalty because those interests were acquired at different times.

Lines 7 through 49 of Part VII: Most have a number sign and a number in parentheses (e.g., (#37)) that indicate on what line this entry may be found in the 2008 report.

Line 22 of Part VII: Weatherford NB, Weatherford, Texas, became First Financial Bank some time in 2009.

Lines 28 through 49 of Part VII: Each listed property interest is in the State of Texas and is the county named immediately following the identification of the property interest.

Line 29 of Part VII: This interest was previously reported as a royalty. The production from a Freestone County interest was thought to be attributable to this land but that was in error. The production is from the interest set out on line 30.
