Review of additional records of the United States Mission to the United Nations is ongoing. We will keep you informed as your case progresses.

If you have any questions, you may contact Department of Justice attorney Robert Prince at (202) 305-3654. Please be sure to refer to the case number, F-2012-38774, and the civil action number, 13-951, in all correspondence about this case.

Sincerely,

--The currently available information suggests that the demonstrations in Benghazi were spontaneously inspired by the protests at the US Embassy in Cairo and evolved into a direct assault against the US diplomatic post in Benghazi and subsequently its annex. There are indications that extremists participated in the violent demonstrations.

--This assessment may change as additional information is collected and analyzed and as currently available information continues to be evaluated.

--The investigation is on-going, and the US Government is working with Libyan authorities to bring to justice those responsible for the deaths of US citizens.
