Lois knows--I have been reviewing testimony --they are asking about criminal prosecutions and DOJ will be talking about how since Citizens United c4s are part of the overall concerns. CI will talk about our criminal process --nothing specific to the TIGTA issues. Thanks for thinking of me though --it takes a village!

Just to be positively sure you do know about this. I'm reacting cautiously since I didn't know.

CI is testifying before a subcommittee of the Sen. Judiciary Committee next Tuesday, April 9. Lois definitely knows about it.

Just to make sure, and so I can be sure Lois et al aren't unaware, what is the hearing you are referring to? Thanks, Joel.

Mike, we're just tracking this particular subject in general due to its high visibility on the Hill right now. I think there 's an upcoming hearing that will touch on the subject, and I assume Lois knows about it. I don't think TIGTA will play a role at this point, but TIGTA is my beat here. Thanks, Joel

Hello, Joel,

This shows our proposed changes. There is also a narrative email that I will send you separately. The version Lois sent may vary in very minor detail from this version. Is someone in particular asking about the changes we are proposing?
