The Honorable Joan B. Gottschall United States District Court 219 South Dearborn Street Chicago, Illinois 60604

Re: Docket No. 828

Dear Judge Gottschall:

In 1986, 1987, and 1988 you, along with edited and proofread a manuscript on a non-legal subject written by The manuscript was published as a book by The book is selling well enough to produce income for its publisher, author, and editors. who reside in Canada have proposed formation of a partnership under Canadian laws whose assets will be all the rights to the book. The partners will be formed, it will, in turn, be dissolved and the assets transferred to a Canadian corporation whose shareholders will be the partners of the dissolved partnership. After the partnership is formed, your sole role will be to serve as a shareholder. As a shareholder, you will share in proceeds arising from the sales of the book and the use of the rights to the book. You ask whether you may participate in this arrangement without transgressing either the Code of Conduct for United States Judges or the Ethics Reform Act of 1989.

The receipt of income from writing or editing a book is permitted under the Code of Conduct. Canon 5A says, "A judge may write ... on non-legal subjects." The Committee believes that editing and proofreading are activities covered by the word "writing." And the Committee has approved, at least implicitly, the receipt of income from writing. Advisory Opinion No. 55. There are restrictions on the manner in which a judge's name may be used in the promotion of a book, but, we assume, these restrictions are not likely to be involved in your case since you are not the author and your name is unlikely to be used in connection with selling of the book. Nor is there anything about the nature of the

The Honorable Joan B. Gottschall October 23, 1991 Page Two

book, "Food and the Gut Reaction", that suggests your association with the book would "detract from the dignity of the judge's office." Canon 5A.

Under Canon SC(2) a judge may serve as a "director (or] active partner . . . of any . . . business wholly owned by members of the judge's family all of whom are related to the judge . . . within the third degree . . . according to the civil law system." Your parents and sister are related to you within the third degree, and you may be their partner in a family business or a shareholder in the family corporation. The language of the Canon permits, a fortiori, your participation as an inactive partner and a non-officer shareholder in a family enterprise. Your participation in the enterprise would not violate your duty under Canon SC.3 to "manage . . . financial interests to minimize the number of cases in which the judge is disqualified"; this is so because you could not, in any event, hear cases in which your parents and sister have an interest. Canon 3C1(d).

Finally, the Ethics Reform Act does not generally prohibit either serving as a partner or a shareholder. There are specific limitations to such activity, but these are not, save one, remotely applicable here. Regulations of the Judicial Conference of the United States Under Title VI of the Ethic Reform Act of 1989 ("Title VI Regulations"). The Title VI Regulations do bar any service "for compensation as an officer or member of the board of any . . . corporation or other entity."

§ 5(a)(4). In your case, you will not serve as an officer or board member and the prohibition of § 5(a)(4) does not apply to your proposed activity.

You also should be aware that the Ethics Reform Act limits the amount of outside income earned in any one year. The income limit is not applicable in your circumstances. Title VI Regulations § 3(b)(2) provides that "funds received for services rendered . . . before January 1, 1991" are not outside earned income.

The Committee advises that the course of action proposed by you is consistent with the Codes of Conduct and the Title VI Regulations of the Judicial Conference.
