Washington DC 20024

Dear Mr. McCarthy

This letter is in response to your June 19, 2014, Freedom of Information Act (FOIA) request 2014-05201-F for 1) any and all records concerning mission taskings of the First Lady Michelle Obama's March 2014 trip to China; 2) any and all records concerning transportation costs for Mrs. Obama's March 2014 trip to China; 3) any and all passenger manifests (DD-2131) for Mrs. Obama's March 2014 trip to China. The requested records are fully releasable and attached.

Concerning Item 1 of your request, a search for responsive records was conducted and no Air Force mission tasking records were located.

Concerning Item 2 of your request, included is the Mission Report for First Lady Obama's March 2014 trip to China. The cost per flying hour for the C-32A can be found on the Under Secretary of Defense Comptroller site:

http://comptroller.defense.gov/Portals/45/documents/rates/fy2014/2014_f_h.pdf

Please note that the CPFH includes fuel, flight consumables, depot level repairables, aircraft overhaul, and engine overhaul.

Concerning Item 3 of your request, a "no records" response is provided for the manifests (DD Form 2131) you requested. In accordance with Air Mobility Command Instruction (AMCI) 24-101, the Air Force does not maintain copies of passenger manifests after the active mission leg is complete.

If you consider our decision to be adverse in nature, you may appeal by writing to the Secretary of the Air Force, Thru: SAF/AII (FOIA), 1000 Air Force Pentagon, Washington DC 20330-1000, within 60 calendar days from the date of this letter. Include in the appeal, your reasons for reconsideration, and attach a copy of this letter.

There are no assessable fees associated with this case. If you have any questions, please contact the undersigned at (703) 692-9978 and reference the above case number.
