Dear Mr. McCarthy

This letter is in response to your June 2015 Freedom of Information Act (FOIA) request 2015-04739-F for 1) any and all records concerning mission tasking of First Lady Michelle Obama's June 2015 trip to the United Kingdom and Italy; 2) any and all records concerning transportation costs for Mrs. Obama's June 2015 trip to the United Kingdom and Italy; 3) any and all passenger manifests (DD-2131) for Mrs. Obama's June 2015 trip to the United Kingdom and Italy. (Date range for record search: From 06/01/2015 To 06/22/2015)

Concerning Item 1 of your request, a search for responsive records was conducted and no Air Force mission tasking records were located.

Concerning Items 2 of your request, included is the Mission Report for First Lady Obama's June 2015 trip to the United Kingdom and Italy. The cost for these flights can be determined by multiplying the number of hours flown by the fiscal year cost per flying hour (CPFH). The FY15 CPFH data for the C-32A can be found on the Under Secretary of Defense Comptroller site at: <http://comptroller.defense.gov/financialmanagement/reports/rates2014.aspx>

Please note the CPFH includes fuel, flight consumables, depot level repairables, aircraft overhaul, and engine overhaul.

Concerning Item 3 of your request, a "no records" response is provided for the manifests (DD Form 2131) you requested. In accordance with Air Mobility Command Instruction (AMCI) 24-101, the Air Force does not maintain copies of passenger manifests after the active mission leg is complete.

If you consider our decision to be adverse in nature, you may appeal by writing to the Secretary of the Air Force, Thru: SAF/AII (FOIA), 1000 Air Force Pentagon, Washington DC 20330-1000, within 60 calendar days from the date of this letter. Include in the appeal, your reasons for reconsideration, and attach a copy of this letter.

There are no assessable fees associated with this case. If you have any questions, please contact the undersigned at (703) 692-9978 and reference the above case number.
