Sirs, here is a copy of the signed complete document we worked on Tuesday. As you can see, there are 25 additional
Confidential emails that have been identified. I just got off the phone with Ms. Turner letting her know that I will be
delivering her the two drawer safe on Wednesday at 1100.   B5

All – We need to get this letter sent out today so would appreciate your clearance on the attached asap. It is substantively similar to the letter we sent regarding the prior upgrade. Since Frank is working with W&C, I referenced him for technical assistance. Regards, Rich
