JOINT STATUS REPORT

The parties submit this joint status report in anticipation of the August 22, 2016 status conference. On August 5, 2016, the FBI completed its transmission to the State Department of documents recovered by the FBI in the course of its investigation in connection with former Secretary of State Hillary Clinton's use of a personal e-mail system during her time as Secretary of State. State has voluntarily agreed to produce non-exempt agency records responsive to plaintiff's FOIA request contained in the information transmitted. The parties intend to negotiate a proposed production schedule and will be prepared to provide more information at the August 22 status conference.

Respectfully submitted,
