Docket Text:

MINUTE ORDER: Having reviewed [37] the parties' Joint Status Report, filed on September 7, 2016, as well as their prior reports, the court assumes that the productions pursuant to FOIA Requests 1 and 2 are now complete. (The parties had previously represented to the court in [31] the April 29, 2016, Joint Status Report that they were prepared to proceed with summary judgment briefing, only to have that schedule vacated to enable Defendant to collect and produce responsive records received from the FBI.) The court therefore directs the parties to meet and confer to propose a summary judgment briefing schedule. The parties shall propose a briefing schedule no later than September 14, 2016. The court agrees with Defendant that the issue of whether FOIA requires the production of emails that are duplicative except for their metadata is better considered after receiving briefing from the parties.
