Staffing usaid

I am purposefully on [redacted]

B6

I have asked joanne to give you each a list of the a usaid positions and the list margaret and cynthia have come up with as State rec (which reflect either unfilled priorities from our State list or their own recommendations).

I need to have you review and identify folks we would rec for each position. I would then like to do a call this thurs about the list you all come up with.

Let me know if you can't or prefer not to participate.

I will ask Margaret for a list of left over priorities so we have that list too.

Thanks.

I have gone over the "priority" list and know very few of the names. Here are comments on the ones I know or whose names I recognize in the order the names appear. Let's discuss tomorrow.
