CBP-2016-044996

William F. Marshall
Judicial Watch
425 Third Street SW, Suite 800
Washington, DC 20224

Dear Mr. Marshall:

This is a final response to your Freedom of Information Act (FOIA) request to U.S. Customs and Border Protection (CBP). You requested records, documents, and communications, etc. regarding a Community Engagement Tour in Minneapolis-St. Paul Airport on February 18, 2016.

A search of CBP databases produced a total of 60 pages of records responsive to your request. CBP has determined that 29 pages of the records are partially released, pursuant to Title 5 U.S.C. § 552 (b)(5), (b)(6), (b)(7)(C) and (b)(7)(E). The remaining 31 pages are withheld in full, pursuant to Title 5 U.S.C. § 552 (b)(3), (b)(6), (b)(7)(C) and (b)(7)(E).

Exemption (b)(3) protects information specifically exempted from disclosure by another statute, if the statute (A) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (B) established particular criteria for withholding or refers to particular types of matters to be withheld. Exemption 3 is asserted on behalf of the Transportation Security Administration to protect Sensitive Security Information (SSI). 49 U.S.C. § 114(r) prohibits the disclosure of information that "would be detrimental to the security of transportation" if released. The TSA regulations implementing Section 114(r) are found in 49 CFR Part 1520. Pursuant to 49 CFR Section 1520.5(b)(9)(i), security screening procedures, including selection criteria for the screening of persons, is SSI and is therefore exempt from disclosure.

Exemption (b)(5) protects from disclosure those inter- or intra-agency documents that are normally privileged in the civil discovery context. The three most frequently invoked privileges are the deliberative process privilege, the attorney work-product privilege, and the attorney-client privilege.

- **Deliberative Process Privilege**

The deliberative process privilege protects the integrity of the deliberative or decision-making processes within the agency by exempting from mandatory disclosure opinions, conclusions, and recommendations included within inter- or intra-agency memoranda or letters. The release of this internal information would discourage the expression of candid opinions and inhibit the free and frank exchange of information among agency personnel.

Exemption (b)(6) exempts from disclosure personnel or medical files and similar files the release of which would cause a clearly unwarranted invasion of personal privacy. This requires a

balancing of the public's right to disclosure against the individual's right privacy. *[The types of documents and/or information that we have withheld may consist of birth certificates, naturalization certificates, driver license, social security numbers, home addresses, dates of birth, or various other documents and/or information belonging to a third party that are considered personal.]* The privacy interests of the individuals in the records you have requested outweigh any minimal public interest in disclosure of the information. Any private interest you may have in that information does not factor into the aforementioned balancing test.

Exemption (b)(7)(C) protects records or information compiled for law enforcement purposes that could reasonably be expected to constitute an unwarranted invasion of personal privacy. This exemption takes particular note of the strong interests of individuals, whether they are suspects, witnesses, or investigators, in not being unwarrantably associated with alleged criminal activity. That interest extends to persons who are not only the subjects of the investigation, but those who may have their privacy invaded by having their identities and information about them revealed in connection with an investigation. Based upon the traditional recognition of strong privacy interest in law enforcement records, categorical withholding of information that identifies third parties in law enforcement records is ordinarily appropriate.

Exemption (b)(7)(E) protects records compiled for law enforcement purposes, the release of which would disclose techniques and/or procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law.

You have a right to appeal our withholding determination. Should you wish to do so, you must send your appeal and a copy of this letter, within 60 days of the date of this letter, to: FOIA Appeals, Policy and Litigation Branch, U.S. Customs and Border Protection, 90 K Street, NE, 10th Floor, Washington, DC 20229-1177, following the procedures outlined in the DHS regulations at Title 6 C.F.R. § 5.9. Your envelope and letter should be marked "FOIA Appeal." Copies of the FOIA and DHS regulations are available at www.dhs.gov/foia.

This office may be reached at (202) 325-0150. Please notate file number CBP-2016-044996 on any future correspondence to CBP related to this request.

Sincerely,

Patrick Howard

What: DHS Community Engagement – Minneapolis St. Paul International Airport Tour

Date of Visit: February 18, 2016

Field Office: Chicago Field Office

Location: Minneapolis

Details:

On February 18, 2016, CBP Field Operations, in partnership with TSA and DHS Office of Civil Rights and Civil Liberties (CRCL), conducted a port tour at the Minneapolis St. Paul International Airport for approximately 20 Somali community members to explain CBP and TSA processes and procedures, and to help address community stakeholder questions. Community members were provided with a tour of the FIS to include primary processing, trusted travel programs, and secondary inspection procedures. TSA representatives then provided an overview of their operations and processes. After the tour concluded, community members were given an opportunity to ask questions; many also shared comments about their experiences with DHS and the steps being taken to improve ties with local Somali community members. During the question and answer session, CBP provided an overview of the complaint and compliment system, including the methods for reporting, along with CBP's commitment to professionalism. Current CBP and TSA job vacancies were discussed. Attendees responded with requests for DHS outreach efforts during Somali community events to further advertise these positions to interested individuals.

RE: Next Roundtable in Minn

Hello (b) (6), (b) (7)(C)

I hope you are staying warm. After much some anticipation, the cold front reached us today. For the airport tour, February 18 would be great from our end. Would between 6pm – 8pm work? This would accommodate prayer times well.

(b) (6), (b) (7)(C)

Happy New Year to you and yours. I'm sorry we weren't able to connect on the phone today, but I wanted to follow up via email on our general thoughts as I will be in training for the next two days and didn't want to delay this any longer.

- **Jennifer lead for CBP** - With Jennifer now in as the Area Port Director, we've asked her to serve as our lead for local engagement in Minneapolis, including the next tour of MSP for the Somali community. She will be our speaker for the tour, serving in the role the DFO Ferrara did in the past.
- **Looping in TSA** - I've also looped in (b) (6), (b) (7)(C) that the next tour could be arranged in partnership with TSA as well.
- **Tour-only vs tour + roundtable** - We'd like to adhere to our commitment to offer an annual tour of the airport and would like to ask for CRCL's help in sending out invitations for it. In terms of structure, we'd like to run this year's tour in the way we have done so before – offering general information at the beginning, walking people through CBP's process, walking people through TSA's process (assuming they can participate), and then closing

with an open Q&A. Given that only vetted participants can enter the secure areas of the airport, we wouldn't want to host a full roundtable at that time.

- **Dates** – I'll let Jennifer (b) (6), (b) (7)(C) note which dates would work best for their teams, but agree that Wed and Thurs evenings seem to work best. From our end, we'd look to dates after the Feb 15 holiday, so that people would have time to plan for the event and we could vet the names once received.
- **Invite language** – I've included the language we used for the last invite for reference. We (CBP) can vet all of those that RSVP, but need at least one full business day to do so. For anyone who does not pass vetting, our preference would be for CRCL to reach out to them and advise that we cannot accommodate them for the tour. You may recall that we had two parties show up last year that did not pass vetting. Attempts were made to contact them, but to no avail.

Thank you,

(b) (6), (b) (7)(C)

I hope all is well. Sorry for taking this long. It has been extremely hectic week. I wanted to exchange some ideas on what dates work for next roundtable and airport tour. To give time to our colleagues and stakeholders, I would suggest the last week of January or the first week of February based on your availability. Wednesdays and Thursdays have been very successful days in the past. Once we agree on the dates we will select the time based on prayer schedules. Another idea could be the roundtable to take place at the airport after the tour. We have done that before in LA and Columbus and it worked well both times.

Please let me know.
