Hello (b) (6), (b) (7)(C)

I hope you are staying warm. After much some anticipation, the cold front reached us today. For the airport tour, February 18 would be great from our end. Would between 6pm – 8pm work? This would accommodate prayer times well.

That sounds good. We can host the roundtable in a different week or close to the tour date. Please let me know your preference and some dates that works for you.

Happy New Year to you and yours. I'm sorry we weren't able to connect on the phone today, but I wanted to follow up via email on our general thoughts as I will be in training for the next two days and didn't want to delay this any longer.

- **Jennifer lead for CBP** - With Jennifer now in as the Area Port Director, we've asked her to serve as our lead for local engagement in Minneapolis, including the next tour of MSP for the Somali community. She will be our speaker for the tour, serving in the role the DFO Ferrara did in the past.
- **Looping in TSA** - I've also looped in (b) (6), (b) (7)(C) that the next tour could be arranged in partnership with TSA as well.
- **Tour-only vs tour + roundtable** - We'd like to adhere to our commitment to offer an annual tour of the airport and would like to ask for CRCL's help in sending out invitations for it. In terms of structure, we'd like to run this year's tour in the way we have done so before – offering general information at the beginning, walking people through CBP's process, walking people through TSA's process (assuming they can participate), and then closing

with an open Q&A. Given that only vetted participants can enter the secure areas of the airport, we wouldn't want to host a full roundtable at that time.

- **Dates** – I'll let Jennifer (b) (6), (b) (7)(C) note which dates would work best for their teams, but agree that Wed and Thurs evenings seem to work best. From our end, we'd look to dates after the Feb 15 holiday, so that people would have time to plan for the event and we could vet the names once received.
- **Invite language** – I've included the language we used for the last invite for reference. We (CBP) can vet all of those that RSVP, but need at least one full business day to do so. For anyone who does not pass vetting, our preference would be for CRCL to reach out to them and advise that we cannot accommodate them for the tour. You may recall that we had two parties show up last year that did not pass vetting. Attempts were made to contact them, but to no avail.

Thank you,

(b) (6), (b) (7)(C)

I hope all is well. Sorry for taking this long. It has been extremely hectic week. I wanted to exchange some ideas on what dates work for next roundtable and airport tour. To give time to our colleagues and stakeholders, I would suggest the last week of January or the first week of February based on your availability. Wednesdays and Thursdays have been very successful days in the past. Once we agree on the dates we will select the time based on prayer schedules. Another idea could be the roundtable to take place at the airport after the tour. We have done that before in LA and Columbus and it worked well both times.

Please let me know.
